Guidelines for Abstract Submission

All presenters are required to register with the conference for ensuring presentation. Authors who wish to submit more than one abstract should fill out separate forms for each abstract; however a maximum of three abstracts may be allowed by the same presenting author. Please refrain from submitting multiple copies of the same abstract.

Abstracts should be typed single spaced in MS word format in English using 12 point font of Regular Times New Roman and not more than 400 words. Tables and graphs should not be included in the abstract. The presenting author of the paper must have his/her name underlined. Authors must indicate the name and address of the institution where the work was carried out.

The abstract submitted must be the original work and meet international ethical standards. Case reports that include findings that are significant and have applied appropriate statistical and analytical methods will be considered for presentation.

Abstract structure:

Abstract should Contain – Introduction / Background of the study, Methods, Results, Conclusion.

Presentation Format:

Orally or in poster format. Details of poster format and details of oral presentation will be provided with letter of acceptance.
